

Every deserves a safe & loving home.

BestyBnB helps **Animal Welfare, Domestic Violence, Mental Health, Veteran Affairs, and Houseless Service Agencies** secure safe, temporary homes for Pets during their Owners' time of crisis.

In the last few months, BestyBnB has enabled its Agency Partners to provide **3,500+ SAFE NIGHTS** for Clients' Pets.

The BestyBnB platform truly bridges the gap between **Animal Welfare and Social Services**. BestyBnB is an innovative platform that:

- ✓ Prevents owner-surrender of Pets;
- ✓ Prevents **violent and abusive crimes** against Animals and their Owners by removing barriers to safety; and
- ✓ Helps **MILLIONS** of Pets, Abuse Survivors, Children, Mental Health Patients, and Families experiencing Houselessness.

Help People by Helping Pets!

Sign up **TODAY** as a Pet Caregiver Foster Home!

How it works:

- Caregivers can **donate** their services and/or **charge a fee**
- Caregivers **keep 100%** of the rate they set
- The **identity and location** of Caregivers and Pet Owners in crisis is kept **confidential**
- **Cost of Food, Veterinary Care, Pet Supplies is covered by Animal Welfare / Social Service Agencies**
- A Caregiver can **review** a pet's profile/behavior **before accepting a request**
- Caregivers select **the type and number** of Pet(s) they choose to care for
- Caregivers decide if they want to offer their services **to the general public** or only **non-profit partner agencies**
- Non-profit partner agencies use **grant money** and **donations** to pay for Pet Boarding fees
- Caregivers can **earn \$600 - \$3,000** per month by charging modest Pet Boarding fees
- All Caregivers go through an **application** process & **background check**
