

70%

of pets in poverty
have never seen
a veterinarian

Everyone should be able to experience the joy, comfort and benefits of the human-animal bond, regardless of race, ethnicity, geography or socioeconomic status. **Because people and pets alike deserve a chance to be healthy and happy.**

NICOLE ROSENBERG

MORE THAN A PET

Since 2002, the HSUS has been working to advance pet equity by providing access to veterinary care and resources at no cost to pets and their people. Join us to give all pets and their people a fair shake.
